400 Series Windows With Stormwatch® Protection and Impact-Resistant Glass Limited Warranty

Transferable Limited Warranty on Glass

The glass in Andersen® 400 Series factory glazed windows with Stormwatch® protection (Performance Grade upgrade with standard High-Performance Low-E4® glass, High-Performance Low-E4® SmartSun™ glass, High-Performance Low-E4® PassiveSun™ glass and HeatLock® glass) is warranted to be free from defects in manufacturing, materials and workmanship for twenty (20) years from the date of purchase from the retailer/dealer. It is also warranted not to develop, under normal conditions, any material obstruction of vision resulting from manufacturing defects or as a result of premature failure of the glass or organic seal for twenty (20) years from the date of purchase from the retailer/dealer. This limited warranty does not apply to special glazings, Andersen® art glass and glass that are not factory installed by Andersen.

The glass in Andersen® 400 Series factory glazed windows with Stormwatch® protection (High-Performance Low-E4® impact-resistant glass, High-Performance Low-E4® SmartSun™ impact-resistant glass, High-Performance Low-E4® Sun impact-resistant glass, Low-E4® PassiveSun™ glass, HeatLock® glass and Monolithic impact-resistant glass) is warranted to be free from defects in manufacturing, materials and workmanship for ten (10) years from the date of purchase from the retailer/dealer. It is also warranted not to develop, under normal conditions, any material obstruction of vision resulting from manufacturing defects or as a result of premature failure of the glass or organic seal for ten (10) years from the date of purchase from the retailer/dealer. This limited warranty does not apply to special glazings, Andersen® art glass or glass that is not factory installed by Andersen.

In the event a glass failure occurs as a result of a defect in manufacturing, materials or workmanship within the limited warranty periods specified above, Andersen, at its option, will: (1) provide the appropriate replacement glass product to the Andersen retailer/dealer you specify — labor is not included; (2) provide a factory authorized repair to the existing glass at no cost to you; or (3) refund the original purchase price. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.

Transferable Limited Warranty on Components Other Than Glass

Non-glass portions of Andersen® 400 Series windows with Stormwatch® protection (including non-electric operators, locks, lifts, balance systems, hinges, handles, insect screens, weatherstripping, exterior trim, sash and frame members) are warranted to be free from defects in manufacturing, materials and workmanship for a period of ten (10) years from the date of purchase from the retailer/dealer. This limited warranty does not apply to Andersen electric window operators, retractable insect screens or finishes on bright brass and satin nickel door hardware.

In the event a component other than glass fails as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide replacement parts to the Andersen retailer/dealer you specify — labor is not included; or (2) provide a factory-authorized repair to the existing component at no cost to you; or (3) refund the original purchase price. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.

Transferable Limited Warranty on Corrosion-Resistant Hardware

Corrosion-resistant hardware (includes casement and awning operator, sash attachment bracket and hinges) is warranted to be free from mechanical failure due to corrosion caused by an electrolytic chemical reaction involving atmospheric salts, such as what may occur in coastal applications, for a period of ten (10) years from the date of purchase from the retailer/dealer.

What is not covered by this corrosion-resistant hardware warranty: any and all aesthetic discoloration or pitting that may occur due to environmental conditions. Minimum maintenance such as cleaning with a mild detergent on a regular basis may be necessary to maintain the original hardware appearance.

In the event a corrosion resistant hardware failure occurs as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide replacement parts to the Andersen retailer/dealer you specify — labor is not included; or (2) provide a factory-authorized repair to the existing component at no cost to you; or (3) refund the original purchase price. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.
